Becoming a Mercy Volunteer

Volunteers are the Servant Leaders who help the physicians and staff of Mercy Medical Center – Des Moines honor the legacy of the Sisters of Mercy and provide high quality, compassionate care to patients and their loved ones.

At Mercy, we understand how good it makes patients and family members feel to receive a comforting smile or share a conversation with a volunteer. That's why we're inviting you to **become a volunteer and link into Mercy's special legacy of healing.**

Mercy offers a number of exciting volunteer opportunities throughout the organization (at Central Campus, Mercy West Lakes and other locations). Some may match a specific skill or talent you'd like to share, while others will give you the chance to explore the field of health care from a whole new angle.

To find out more about current opportunities or to register for a Volunteer Open House (the first step in becoming a Mercy volunteer), please visit www.mercydesmoines.org/volunteer or call (515) 247-3246.
