Mercy physicians, health professionals and staff at all of our campuses, clinics and facilities are the lifeblood of Mercy. Together they heal the sick and tend to the needs of the patients, families and communities we serve. All are guided by the Sisters of Mercy’s Mission and Values of Reverence, Integrity, Compassion and Excellence.

In May 2016, the Spirit of Mercy Award, which recognizes the outstanding efforts of staff members whose professional and personal standards exemplify Mercy’s Mission and Vision, started honoring recipients on a monthly basis. Spirit of Mercy Award winners for the past 12 months were recognized at the 2017 Annual Staff Recognition Dinner on Thursday, May 11.

In years past, an overall Spirit of Mercy Award winner has been selected to receive a trip for two to visit the home of the Sisters of Mercy in Ireland. The trip is given in honor of former Mercy Board Chairman Steve Chapman and is funded through generous contributions from members of the community. This year, all of the monthly winners wonderfully exemplified Mercy’s Core Values, making it difficult to select one overall winner. Prizes were instead awarded randomly, with 10 recipients receiving a $500 gift card and one recipient receiving a $1,000 gift card. The trip to Ireland was awarded to Spirit of Mercy Award winner Shawna Gunn.

The Spirit of Mercy Award will continue to be accepted on a monthly basis. Nominations are due by the 15th of each month to Laura Wenman, Chief Mission Officer. You can find fillable forms on the MercyNet home page in the upper left corner. You can also pick up applications in Administration at both central campus and West Lakes.
CELEBRATING HOSPITAL & NURSES' WEEK

Far left – Blessing of Hands: Deacon Dave O’Brien blesses the hands of Mary Brown, chief nursing officer, on Monday as part of Hospital and Nurses’ Week celebrations.

Middle left – Doctors’ Breakfast for Nurses: A few deserving nurses stood in line to enjoy breakfast served up by Drs. Denville Myrie, Ted Rooney and Dante Dali.

Middle and far right – Food Truck Day: A little rain couldn’t stop our Mercy colleagues from enjoying lunch from local food truck vendors!
