

HEALTHY HOMES | des moines
healthyhomesdesmoines.org

Healthy Homes Des Moines is a collaborative effort to minimize clinic and hospital visits related to pediatric asthma in Des Moines. Eligible households receive home repairs to address asthma triggers, and families receive tailored health education to self-manage asthma and maintain a healthy home.

How HHDSM works.

Live in a healthier home environment in as little as one month. Here's how it works:

Manage asthma in your household.

Healthy Homes Des Moines gets to the source of household triggers causing your child's respiratory symptoms.
